

Shubham Gupta

Senior Cloud Engineer

Frankfurt, Germany | guptashubham131@gmail.com | +49 1575 5754701

Experience

- Senior Cloud Engineer**, Tech Mahindra Pvt. Ltd. – Muscat, Oman & India July 2023 – Sept 2025
- Designed Azure infrastructure (VNETs, NSGs, Load Balancers, AKS) serving 50+ microservices.
 - Built Terraform modules for compute, networking, and AKS provisioning.
 - Configured private endpoints and NSG rules to secure backend traffic.
 - Set up Azure Monitor and Application Insights dashboards and alerts.
 - Implemented autoscaling policies for AKS workloads during traffic spikes.
 - Cut cloud costs through right-sizing and automated shutdown of non-production environments.
 - Managed Azure AD RBAC and OAuth 2.0 policies across subscriptions.
- Cloud Engineer**, SSG Consulting Pvt. Ltd. (Rencata) – Chennai, India July 2020 – June 2023
- Deployed and managed AKS clusters hosting 100+ microservices for a financial services platform.
 - Configured network peering and load balancing for high-availability workloads.
 - Managed storage accounts, backup policies, and access tiers.
 - Built cost monitoring with Azure Cost Management and tagging, reducing monthly spend.
- Cloud Engineer**, Accenture PLC – India Apr 2019 – Sept 2019
- Provisioned Azure compute and networking with ARM templates.
 - Configured Log Analytics workspaces for centralized logging.
 - Implemented firewall rules to segment network traffic.
- Cloud Engineer**, Tech Mahindra Pvt. Ltd. – India Dec 2016 – Apr 2019
- Migrated on-premise workloads to Azure, cutting environment setup from days to under an hour.
 - Configured site-to-site VPN connections linking Azure to on-premise data centers.
 - Set up disaster recovery with Azure Site Recovery and geo-redundant storage.

Education

RGPV, Bhopal, India, Bachelor of Engineering (B.E.) 2012 – 2016

Skills

Cloud & Infrastructure: Azure, GCP, Terraform, Docker, Kubernetes
DevOps & Automation: CI/CD, Azure DevOps, Python, Linux, Git, Monitoring

Certifications

Microsoft Certified: Azure Administrator Associate (AZ-104), In Preparation
Microsoft Certified: Azure Solutions Architect Expert (AZ-305), In Preparation

Work Authorization

Work Authorization: EU Blue Card Eligible (No Sponsorship Required) | Available Immediately

Languages

English: Fluent (IELTS 7.5)
Hindi: Native
